OBJECTIVE

Highly driven, self enthusiastic student who has experience in Web Development and is passionate about learning new technologies. Also seeking for a challenging career with a successful organization that boosts my technical skills and thinking abilities.

EDUCATION

2021	Ragiv Gandhi Institute of Technology, Kottayam BTech in Computer Science and Engineering 8.6/10
2017	Bharathiya Vidya Bhavans Vidya Mandir, Thrissur 12th Grade 92.8%
2015	Bharathiya Vidya Bhavans Vidya Mandir, Thrissur 10th Grade 93%

ACHIEVEMENTS & AWARDS

Received the Student Scholarship to attend the Grace Hopper Celebration of Women in Computing India (GHCI) 20 conference.

Received a Scholarship to attend the virtual event DrupalCon Global 2020.

Was shortlisted as a participant for Yong India Challenge 2019 held at IIT Delhi.

Bagged the Special Mention Award for our idea in Startup Weekend Kochi in partnership with Techstars and Google Startups.

INTERNSHIP

Did my internship in Web Development in Genesis Tech, Kottayam, which was ten days of duration. It was a great experience and was able to build a webpage.

VOLUNTEERING EXPERIENCE

Worked in a live website building in 4Tune Factory using WordPress.

Working as a team lead of Website and Design of Venus Campaign, an initiative by a group of student volunteers who are working on a theme for encouraging women community to enhance the digital marketing.

Been a mentor for Online Web Development classes as a part of the community KuttyKoders.

Took a session on Basics of Web Development at IEDC (The Innovation and Entrepreneurship Development Centres) Summit 2019 organized by Tinkerhub.

Active Volunteer at IEEE RIT Student Branch .
